EXHIBIT PARTICIPATION

The Exhibition is for the express purpose of furthering SGO's mission, which is to promote and ensure the highest quality of clinical care through excellence in education and research in gynecologic cancers. SGO does not guarantee, warrant, endorse or otherwise approve of the companies exhibiting at the SGO meeting nor any of the products, equipment or services exhibited by the companies. Each exhibitor is solely responsible for compliance with FDA Rules and Regulations which address the labeling of displayed products and for determining if a product may be promoted for a use that is generally accepted among oncologists or other medical professionals and for which FDA approval is not required.

Compliance with all applicable laws and regulations is required of every organization which participates in SGO meetings.

Organizations that violate SGO policies, applicable law, or the terms and conditions as set forth in the Application for Exhibit Space will be subject of disciplinary action that could include loss of priority in selection of exhibit space and/or hotel accommodations, termination of the Application for Exhibit Space, or loss of the opportunity to participate in future SGO meetings.
